

ENR2 FINISH THE CAMPAIGN CHALLENGE

ARE YOU UP TO THE CHALLENGE?

With the support of numerous Stratford families, our school is within \$265,000 of reaching our capital campaign goal. The facilities from this campaign, the Cantrell Lower School and Stratford Student Activities Center, will benefit every student in every division and make a lasting impact on our school community.

Our Stratford community has been challenged to finish the *Excellence Never Rests* capital campaign Phase II and raise the remaining funds needed to complete the renovation of the former Lower School to Stratford's new Student Activities Center. An anonymous donor is willing to **match all gifts to the ENR2 campaign 50 cents on every dollar between March 1 and May 31**. The goal is for Stratford supporters to contribute \$200,000 for a match of \$100,000 to "finish the campaign".

Pledges/gifts may be made online at www.stratford.org/onlinegiving. All gifts over \$500 are eligible for our Foundations of Excellence wall display. With each \$500 gift, a donor may honor one past or present Stratford faculty/staff member with a tile on the second Foundations of Excellence wall, which will be installed during the summer break.
