

2022 Varsity Football Season Recap

The Varsity Football team worked hard all season long which led to a State Championship appearance. The last time Stratford played in the State Championship was in 2013. This year was Coach Jones first year as the head coach. He taught the boys pushing them to be the best on and off the field. The entire school community is beyond proud of their hard work and determination. They finished their season with a 9-4 record. They lost to Tattnall 33-28 in the regular season, then faced them in the Semifinals, winning 55-28 to advance to the Championship. The loss of the sixteen seniors will play a role next season, but the Eagle coaching staff is looking forward to watching young players fill their positions. Congratulations on a successful season! Eagle fans are looking to the fall of 2023 with great excitement under Friday Night Lights.
