

2022 Girls Varsity Soccer Recap

The Stratford Varsity Girls Soccer Team finished their season with a 15-2 record. The season highlight was clinching the Region Championship against FPD with a 2-0 win at home on Spencer Frank Hays Field. These girls finished region play undefeated. The team faced some adversity with injuries to key players, which called for other players to step up. This group of girls shared a special bond and love for each other and celebrated each other's successes, as well lifting each other when someone was struggling. The Eaglettes consisted of eight senior girls whose career ended with 41 wins and 11 losses. Cumulatively, they had 306 goals, 237 assists, 849 overall points, and 25 shutouts throughout their high school career. The Stratford Soccer Program will miss these girls next season. The future for Stratford Girls Soccer is bright. Congratulations on a great finish!
