

STRATFORD ACADEMY

Stratford Academy is a nonsectarian independent school of approximately 750 students in grades K3-12 located in Macon, Georgia. The Upper School at Stratford is seeking a mathematics teacher for the 2023-2024 school year. Upper School teachers at Stratford typically teach five classes with two or three preps. Ideal candidates should be able to teach a variety of high school math classes, including but not limited to Algebra II, financial mathematics, and Algebra III. All faculty are expected to coordinate with other faculty teaching the same classes and to collaborate in vertical teams. Applicants should have a minimum of a BA/BS or higher in mathematics or a similar field. Previous teaching experience is preferred. Please submit resume to: employment@stratford.org.
