

## 2023 Varsity Boys Basketball Season Recap

Congratulations to our State Champions under the direction of Jarvis Smith in his first year at Stratford. These boys worked hard all season. Their determination and dedication were rewarded in the State Championship, winning 65-64 against St. Anne-Pacelli. Their season record was 27 - 2. These men worked countless hours in the gym on free throws, allowing junior Kahli Green to help us clinch the State Title. We look forward to these young men defending their State Championship title next season!
