

## 2022 Season Recap

The Stratford Girls Lacrosse Team made incredible strides during their 2022 season and finished on multiple high notes. Coaches Glawson, Astin, and O'Hara were extremely proud of the girls' development during the year, especially during the second half of the season, which included big home wins against Woodland, Dutchtown, and Eagles Landing, and a nail-biting loss to Union Grove. This year's team was one of the best scoring teams in program history, averaging more than nine goals a game, their highest average in five years. That offensive output was led by sophomore Ellie Mincey, the team's leading scorer. The team also benefited from the leadership of senior captains Anna Mincey and Emily Hunt, and sophomore Ella Britt once again excelled as the team's goalie. A large complement of players both new and returning also contributed to the team's success. The girls are eager to continue their progress during the next season.
