

2023 Middle School Softball Recap

The Stratford Middle School Softball Team had an outstanding 2023 season. They finished with a 9-2 record and won the Middle School League Championship with a last inning, come from behind win over undefeated John Milledge Academy. This group of girls worked hard and improved tremendously throughout the season. They are coachable, determined, and never give up the fight in big game situations. The team is made up of all sixth and seventh graders who will return next year, so the future is bright for the Stratford Middle School Softball Program!
